Notice of Non-R sponsive Amendment

1. The timely submission under 37 CFR 1.129(a) filed on December 4, 2002 is not fully responsive to the prior Office action because the amended copy of claim 25 is materially different than the marked-up copy of claim 25. Specifically, the amended copy fails to recite step (a) upon which steps (b) and (c) depend on whereas the marked up copy of contains a substantially dissimilar claim 25. Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
